

# Praise for

## BRISTOW MONTESSORI SCHOOL

*"BMS has been wonderful. BMS isn't just a school, they've also become like family. The staff genuinely cares about the children and we couldn't be happier with their services."*

- Parent of 4-year-old

*"My 2.5 year old started at BMS when she was only 4 months old, and I couldn't be happier with our decision to enroll her here. With every room transition, the teachers are kind and truly care for her well-being. I would recommend this school to any parent without hesitation."*

*bristow montessori school*  
*curiosity · care · confidence*

*"Children are human beings to whom respect is due, superior to us by reason of their innocence and of the greater possibilities of their future."*

- Maria Montessori

## Our Mission Statement:

All children possess a deep and natural curiosity to explore and understand the world around them. Bristow Montessori School nurtures each child's innate curiosity by providing a carefully prepared environment that strikes the child's imagination to reveal the individual potential that lies within the human spirit.

Bristow Montessori offers each child the experience of individualized and cooperative learning to foster independence, confidence, and above all, a lifelong love of learning.

## Montessori Program Features:

### Program and Teaching

- Certified Montessori Teaching Guides
- Large blocks of uninterrupted time for cooperative learning, peer tutoring, and emotional & social development
- Peace education through geographical study and diversity celebration
- Programs tailored to instill confidence, self-awareness, independence, care of self, care of environment, and social grace
- Knowledge & understanding through music, writing, language, culture, fine arts, social systems, practical life, sensorial, science, technology, mathematics, and health
- Optional Before & After Care: Structured after school activities in technology, sports, computer lab, robotics, sciences, and art
- After School Enrichment Programs: Dance, fitness, and fine art at each age level

### Classroom and Materials

- Hands-on, self-correcting Montessori material
- Thoughtfully prepared classrooms balancing student choice with organized structure

## Educational Philosophy

- Traditional Montessori multi-aged classrooms inspire students to learn from and teach one another. This Concept provides an optimum blend for academic social & emotional learning, cooperation, collaboration, and community.
- Interdisciplinary programs are tailored around the development of each individual child.
- Through their work, the children progress at their own pace & rhythm developing concentration, motivation, persistence, and discipline.

**As an American Montessori Society (AMS) Member, Bristow Montessori School is proud to offer an authentic & traditional Montessori education.**

## ABOUT MONTESSORI EDUCATION:

*The Montessori Method of education, developed by Dr. Maria Montessori, is a child-centered educational approach based on scientific observations of children from birth to adulthood. Dr. Montessori's Method has been time tested, with over 100 years of success in diverse cultures throughout the world.*
