

## May 7<sup>th</sup>-11<sup>th</sup>

Bristow Montessori School looks forward to this designated time of year, when we celebrate and thank the wonderful teachers who deliver so much to our children here at BMS through their time, dedication, and passion.

We encourage our parents to take this opportunity to show your appreciation and gratitude this week to honor these teachers whose work extends beyond the classroom.

Feel free to do as much or as little for your child's teachers. The following is just a few simple suggestions we thought might help. Each day is a theme, but please do not feel like something must be done each day. The teachers are thankful of any small gesture of appreciation.

### Monday: "A Word of Thanks Day"

Write a note, poem, draw a picture, or color a picture for your teacher. Idea: Homemade card by student with a note of thanks from a parent or student.

### Tuesday: "Breakfast Potluck"

Sign up to provide the teachers with a breakfast item for a delicious breakfast potluck. A sign up genius link will be sent out.

### Wednesday: "You Brighten My Day"

Show your teacher how much they brighten your day by bringing in a flower or non-toxic plant (it's the gift that keeps on giving!) Idea: Decorate the vase or pot with your special artwork or word of thanks.

### Thursday: "Favorite Book Day"

We can't have enough books! Give a copy of your favorite book or a book you think your teacher might appreciate adding to their classroom. Idea: Write in the front of the book who it is from, or a thank you note, so the teacher will be reminded of you for years to come.

### Friday: "Favorite Treat Day"

Bring in your teacher's favorite candy, yummy treat or drink. See the front desk for a list of what your teacher favorite things are! (No Nuts please).
